

ATTENTION: HIGH SCHOOLS CLUBS

Kids Voting Southeast Pennsylvania Needs You!!

- ☆ Kids Voting Southeast Pennsylvania is a non-profit, non-partisan education program designed to promote greater voter participation and to educate students in Bucks and Montgomery Counties regarding the voting process.
- ☆ On Election Day over 100,000 students in grades K - 12 will be able to go to the polls.

We would like your club to consider sending its members to help staff precincts in your district.

- ☆ We are looking for High School students to help. We need to have volunteers for Kids Voting at several precincts. That's quite an undertaking! So please consider becoming a part of our program. This volunteer opportunity is completed in one day, but will make a difference in our community for generations to come.

If you can help, please fill in this form and submit it to your school district KV coordinator or Richard Coe.
